uniting against breast cancer

WE LOVE WALKING AND THIS IS A CHALLENGE FOR EVERYONE

...SO LET'S GET TOGETHER!

RAISE JUST £25 AND SEE WHAT IT COULD BUY!

£5

Would pay for a person living with cancer to join an online pilates or yoga group, helping to put them in better control of their health and wellbeing.

£10

Could help someone to join an online emotional support group allowing them to connect with others going through the same experience.

£20

Would buy 2 Kindness Kits including essentials such as basic food and toiletries for someone unable to work during treatment.

£25

Could help fund a friendly listening ear, at a time when people can feel isolated and lonely, through regular contact with a skilled Volunteer.

£50

Would allow 15 cancer patients to have online cancer support, including helpful information and professional help.

£100

A Team of 4 Walk the Walk Zoomers could give a cancer patient a one-to-one session with a specialist doctor, who will help them understand more about the different approaches available to supporting people with cancer, and helping them recover from cancer treatment.
